Casting Rules

Volume 02 — locked in on top of Volume 01. These rules apply to every chapter from April 28, 2006 onward.

Rule 1 — Real Actors Keep Their Roles

Every MCU character keeps the real-life actor who played them, **except for the ten roles listed in Rule 2**. They are cast in the story through realistic Hollywood channels: auditions, agents, screen tests, negotiations and press leaks.

Rule 2 — The Ten Roles for Fictional Actors

#	Role	Character (comic-accurate)	Actor
1	Iron Man	Tony Stark	Fictional (you'll create)
2	Hulk	Bruce Banner / Hulk	Fictional (you'll create)
3	Captain America	Steve Rogers	Fictional (you'll create)
4	Ant-Man	Hank Pym *(pending your confirmation, Question 2)*	Fictional (you'll create)
5	Wasp	Janet van Dyne *(pending your confirmation, Question 2)*	Fictional (you'll create)
6	Black Widow	Natasha Romanoff	Fictional (you'll create)
7	Thor	**Thor, daughter of Odin — always female**	Fictional, female
8	Hawkeye	**Claire Barton — always female**	Fictional, female
9	Scarlet Witch	Wanda Maximoff	Fictional (you'll create)
10	Pepper Potts	Virginia "Pepper" Potts	Fictional (you'll create)

Rule 3 — Thor and Hawkeye Have Always Been Women

- **No legacy and no passing the torch.** Thor has always been Odin's daughter, and Hawkeye has always been Claire Barton. There was never a male version.
- **Everything else stays comic-accurate.** Thor is the God of Thunder, Loki is her adopted brother, she is worthy of Mjolnir, and she has full godly power with no nerfs. Claire Barton's history follows Clint's from the comics: the carnival, Trick Shot and the Swordsman, her start as a reformed criminal, and joining the Avengers in *Avengers* #16 (1965).
- **In the real-world story,** this is a creative decision Marvel Studios makes. Trade press, fans and message boards react to it the way they really would have in 2006 and 2007.

Rule 4 — Ages and Availability of Real Actors

Real actors are cast at a believable moment in their real careers, with their real ages. Ages on April 28, 2006:

Anthony Hopkins	Odin	Dec 31, 1937	68
Jeff Bridges	Obadiah Stane	Dec 4, 1949	56
Hugo Weaving	Red Skull	Apr 4, 1960	46
Clark Gregg	Phil Coulson	Apr 2, 1962	44
Josh Brolin	Thanos	Feb 12, 1968	38

Actor	MCU role	Born	Age (4/28/06)
Paul Bettany	Vision	May 27, 1971	34
Chadwick Boseman	Black Panther	Nov 29, 1976	29
Benedict Cumberbatch	Doctor Strange	July 19, 1976	29
Anthony Mackie	Falcon	Sept 23, 1978	27
Chris Pratt	Star-Lord	June 21, 1979	26
Tom Hiddleston	Loki	Feb 9, 1981	25

A sample, not the full list. Every real actor gets added to the age register the first time they appear.

Open Questions (my recommendation is shown first)

Until you answer, I'll treat each recommendation as the working default. Nothing is final until you confirm it.

#	Question	Recommendation
1	Thor's name	Keep her name as **Thor**, daughter of Odin and Frigga. Asgardians would call her "Thor Odinsdottir" when they need a formal name.
2	Which Ant-Man and Wasp?	**Hank Pym and Janet van Dyne**, the founding Avengers from *Avengers* #1 (1963). Scott Lang can come later as the second Ant-Man, played by his real actor, Paul Rudd, the same as in the comics.
3	Roles the real MCU recast (Rhodey: Terrence Howard and Don Cheadle; Thunderbolt Ross: William Hurt and Harrison Ford; Thanos: Damion Poitier and Josh Brolin; Howard Stark: Dominic Cooper and John Slattery)	Use **the actor most identified with the role**: Don Cheadle, Josh Brolin and William Hurt. For Howard Stark, the young and older versions keep their separate actors.
4	Characters played outside the MCU, like the Fox X-Men (Hugh Jackman) and Sony's Spider-Man films	Characters who later appeared in the MCU use their MCU actor. Characters never in the MCU are your call; my suggestion is to keep the actor most identified with the role, such as Hugh Jackman as Wolverine.
5	Real-life tragedies, such as Chadwick Boseman's death in August 2020	Real history stays the same, so these events will happen. When we get there, I'll handle them respectfully and the way real life handled them, unless you say otherwise.
6	Claire Barton's relationships (in the comics, Clint marries Mockingbird)	Leave this open and decide when Hawkeye's storyline gets there.
